

LITTLE JAMES' BASKET PRESS

Little James' Basket Press white - Pays d'Oc 2010

Viognier/Sauvignon

Fermented and aged in vat - 55% Viognier - 45% sauvignon

The Minervois mountains offer a fantastic cool microclimate very well adapted for sauvignon growing. This cépage expresses really well there. Our Viognier is a "selection massale" made in Condrieu : it does give another dimension, a great aromatic complexity which allows us to avoid the uncomplex varietal character.

We make this wine on a very simple and classical way. We look for energy, freshness, aromatic expression. It can be tasted as an aperitif, or be a nice accompaniment to many different dishes such as grilled vegetables, fishes, stilton, blue cheeses, asparagus, chicken with morels, risotto with truffles...etc... Bottled in January 2011 Lemon skin, cooked tangerine, watermelon, peach.
