

## **Château de St Cosme - "Gigondas"**

### **AOP Gigondas - red - 2010**

60% Grenache - 20% Syrah - 18% Mourvèdre - 2% Cinsault. Full clusters.

Ah! 2010! I would easily sign a contract with mother nature to get a vintage like this every year!.. Finally, 2010 is a kind of 2007 with more freshness. This freshness is THE fact of the vintage: it is everywhere, it gives the structure and the relief which generates the finesse. This is the garanty of a good evolution as well. I want you to enjoy old wines from Saint Cosme if you wish to keep some bottles. What I like in a good Gigondas is the body of the grenache combined with the coolness of our terroir. Because it reminds me of the wines of my father: classical, straightforward, solid and simply so good... So good...
