

## **Château de St Cosme - "Gigondas"**

### **AOP Gigondas - red - 2021**

"70 % Grenache - 14 % Syrah – 15 % Mourvèdre - 1 % Cinsault.

Whole cluster fermentation.

Twelve months' ageing: 20 % in new casks - 50 % in casks used for 1 to 4 wines - 30 % in concrete tanks.

Miocene limestone marl and sand.

Marzipan, wild raspberry, blood orange and heirloom rose.

Bottled unfiltered.

I have a profound love for our 2021 Gigondas, probably because its style reminds me of the vintages of my youth – 1991, 1993, 1995, 1996, 2004..."
