

Château de St Cosme - "Le Poste rouge"

AOP Gigondas - red - 2020

Château de Saint Cosme 'Le Poste' – Red 2020 Gigondas

Mixed plantings of old Grenache vines.

Whole cluster fermentation.

Hillsides of Tortonian limestone marl at Saint Cosme chapel, in the 'Le Poste' named vineyard.

Twelve months' ageing: 20% in new casks - 50% in casks used for one wine - 30% in casks used for two wines.

Wild raspberries, jasmine, white pepper

Bottled unfiltered.

Le Poste 2020 is ethereal, feminine, saline and has shed anything that might be pointless in a wine. Try and taste a 2020 red and white Le Poste side by side. The experience enhances the concept of origin.
