

Saint Joseph 2013

Wine advocate

88-90 A step up over the Crozes, the 2013 St Joseph is a pretty, elegant and finesse-driven effort that has lots of purple fruits, violets and spring-flower nuances, medium-bodied richness and terrific purity of fruit. It should drink well on release and have 7-8 years of longevity.

Vinous

SAINT COSME Saint-Joseph 2013 – 92 points

“Brilliant violet. An exotically perfumed bouquet evokes ripe dark berries, incense and licorice, and black pepper and mineral elements add vivacity. Juicy, penetrating and seamless in the mouth, displaying powerful thrust to the concentrated, spice-tinged black and blue fruit flavors. Shows excellent clarity and energy on the impressively persistent finish, which leaves behind a juicy blueberry note.”
