

Côtes du Rhône rouge 2012

Wine advocate

89 points - A step up, the 2012 Cotes du Rhone is almost all Syrah that comes from higher elevation vineyards in Vinsobres and the Gard region (western side of the Rhone River). Offering big, bright berry fruits, pepper, olive and hints of meatiness, it is a medium-bodied, elegant and rock-solid Cotes du Rhone that has loads of character. It's a serious value to drink over the coming 4-5 years.
