

Côte-Rôtie 2016

“The 2016 Côte-Rôtie comes all from the Côte Brune side of the appellation, which is all schist soils. Fermented with no destemming and aged mostly in older barrels, it’s a rock star Côte-Rôtie and offers loads of blackberry fruits, spice, tapenade, cured meats, and pepper. With medium to full body, a deep, layered mid-palate, present tannins, and a huge finish, it needs short-term cellaring but is an undeniably gorgeous Syrah that will have two decades of longevity.”

“Stony aromas with sweet spices in abundance, ahead of ripe plums and raspberries. The palate has silky tannins and a very suave, fleshy array of ripe, red plums and nectarines. Long and delicious.”
