

Les Deux Albion 2013

Wine advocate

(88-90) The 2013 Cotes du Rhone Les Deux Albions is 50-60% Syrah and the rest Grenache and other permitted varieties. It exhibits classic Syrah character with its sweet dark fruits, pepper, wood smoke and crushed rock-like minerality. Medium to full-bodied, it bucks the vintage stereotype and has a rounded, supple texture, good concentration and plenty of length. Possibly outstanding, it should have a decade of longevity.
