

Condrieu 2020

Wine spectator

Wine Spectator St.-Cosme Condrieu 2020 Rating : 94 points

Alluring, with creamed yellow apple, mirabelle plum and white peach flavors carried by a caressing hint of elderflower and lemon curd through the finish, where a late flash of white ginger peeks in. Drink now through 2027. 90 cases imported. JM Nov 2022

Condrieu 2020 Saint Cosme Rating : 93

I'm always able to taste Louis's Northern Rhône release as well. His 2020 Condrieu is medium to full-bodied, pure, and balanced, with that unique Condrieu ability to blend richness and freshness. Some classic tangerine, white flowers, and honeysuckle notes define the nose, and it's beautifully done. Drink it over the coming 4-6 years. Tasting date: 1/25/2022
