

Crozes-Hermitage 2020

Wine spectator

Wine Spectator St.-Cosme Crozes-Hermitage 2020 Rating : 93 points

Offers expressive boysenberry and sweet plum flavors that show beautiful fruit purity, with toasted alder and fruitcake spice highlights. Ripe and concentrated on the palate, with chalky minerals, iron and silky tannins providing a lovely frame on the savory end. Drink now through 2030. 268 cases imported. JM Nov 2022

Crozes Hermitage Red 2020 Saint Cosme Rating : 90-92

Leading off the red Northern Rhône from barrel, the 2020 Crozes-Hermitage is medium to full-bodied, textured, and seamless, with classic berry, darker fruits, pepper, and violet aromatics. I love its texture. Tasting date: 1/25/2022
